A New Departure.

Mr. A. D. Walsh, the oldest restaurant man in this city, and the first to start a regular meal cooked to order, at the old established Can Can restaurant, has just returned from a trip to San Francisco, and while there he secured the services of Ben Wartman and Harry Woodward, cook and steward of the celebrated "Popular reataurant" of that city, and he will in a few days depart from the old method of charging so much a meal and run a bill of fare house. Every article with his price carried out, will be printed on a bill of fare, and you get what you want, and pay for what you get. As Mr. Wartman is unacountedly the best cook in this territory, this new departure of Mr. Walsh's will undoubtedly make the Can Can the roost popular restaurant in this city.
